

**AGENDA
CITY OF PATTERSON**

**CITY COUNCIL SPECIAL MEETING
Monday, April 25, 2016
7:00 p.m.**

**City Council Chambers
1 Plaza
Patterson, California**

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the City Clerk at (209) 895-8014. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102-35.104 ADA Title II]

The agenda and supporting public documents are available for viewing in City Hall, Administration Department, 1 Plaza, 2nd Floor, Patterson, California. The agenda and supporting public documents are also available online on our City web site www.ci.patterson.ca.us listed under Popular Links "Agenda Center" and listed under the "Upcoming Events Calendar" under the date of the meeting or please call or email the City Clerk at (209) 895-8014 or cityclerk@ci.patterson.ca.us

If you wish to be notified of future meetings, please subscribe to "Notify Me" listed under Popular Links on our City of Patterson web site www.ci.patterson.ca.us

- 1. Call to Order**
- 2. Pledge of Allegiance**
- 3. Statements of Conflict**
- 4. Items from the Public**

Any member of the audience desiring to address the Council regarding a matter on the agenda, please raise your hand or step to the podium at the time the item is announced by the Mayor. The public wishing to address the Council on items that do not appear on the agenda may do so; however, Council will take no action other than referring the item to staff for study and analysis and shall place item on a future agenda (Resolution 92-25)

In order that all interested parties have an opportunity to speak, any person addressing the Council will be limited to a maximum of five (5) minutes unless the Mayor grants a longer period of time (Resolution 92-25)

- 5. Staff Report:** Consider and Select a Council Member District Boundaries Map, and Adopt Resolution No. 2016-36 of the City Council of the City of Patterson, Establishing the Four Council Member District Boundaries To Implement a By-District Based Electoral System Beginning with the November 2016 General Municipal Election.

Staff Report: City Attorney Hallinan,
Douglas Johnson, National Demographics Corporation

Mayor: Open/Close Item from Public Comments

Council: Motion to Adopt Resolution No. 2016-36

- 6. Other Matters**

- 7. Adjournment**

CITY COUNCIL AGENDA REPORT

TO: Mayor Molina and Members of the City Council

FROM: Ken Irwin, City Manager

BY: Tom Hallinan, City Attorney
Douglas Johnson, National Demographics Corporation

MEETING DATE: April 25, 2016

ITEM NO: 5

SUBJECT: Consider and Select a Council Member District Boundaries Map, and Adopt **Resolution No. 2016-36** of the City Council of the City of Patterson, Establishing the Four Council Member District Boundaries to Implement a By-District Based Electoral System Beginning with the November 2016 General Municipal Election.

RECOMMENDATION

It is recommended that the Patterson City Council ("Council"):

1. Consider the proposed district boundary maps prepared by National Demographics Corporation ("NDC"), including the public comments that are presented; and
2. By roll call vote, adopt the Resolution approving the selected Council member district boundaries map that will establish the City's voting district boundaries, which will be incorporated into a proposed ordinance to change the City's at-large electoral system to a by-district electoral system.

BACKGROUND

In 2013, the City received a letter from the Latino Community Roundtable of Stanislaus County contending that the City's at-large electoral system is a violation of the California Voting Rights Act of 2001 ("CVRA") and the Federal Voting Rights Act of 1965 and seeking an end to the at-large local election system. Consequently, the City is considering switching from an at-large to a by-district election system. City Staff engaged NDC to assist the City with the development of draft and final election district plan maps.

The City is a general law city governed by the State of California Government Code and Elections Code. The Council is currently comprised of four (4) Council members and a Mayor. Council members serve four-year terms, and are elected at-large on alternating years. The Mayor serves two year terms and is elected at-large on even numbered years.

Many California cities employing at-large electoral systems have recently faced legal challenges under the CVRA due to potentially racially polarized voting systems. The Council has considered the merits of switching the City's at-large electoral system in which the four (4) Council members and the Mayor are elected citywide, to a by-district electoral system in which voters elect a Council member from within a corresponding geographical section of the City, and where the Mayoral position remains elected at-large.

ANALYSIS

District Boundaries

Federal law requires that Council election districts contain essentially equal total populations, comply with the Federal Voting Rights Act, and avoid using race as a predominant factor in defining district borders. The Courts have also allowed small population deviations if such deviations are necessary to achieve what the U.S. Supreme Court has labeled "traditional redistricting principles."

In moving forward with implementation of a by-district electoral system, the transition process is two-fold: First, in accordance with state law, Council member district boundaries must be established for the entire City. To accomplish this, the Council is required to conduct three (3) public hearings to consider district boundary map options.

NDC initially prepared four (4) drafts of by-district election boundary plans for Council to consider: two draft plans with five (5) Council districts with a rotating mayoral position, and two draft plans with four (4) Council districts with an at-large mayoral position. Staff presented the draft district boundary plans to the Council on March 30, 2016, and the Council conducted the first of three public hearings to receive public input on the proposed boundary plans and proposed switch to by-district elections. At the second public hearing on April 5, 2016, after input from the community, the Council directed staff to move forward with NDC 5 District Option 2 Map establishing 5 Council districts with a rotating mayor. Subsequently, NDC created map 2b at the direction of the City Council to be considered at the third and final public hearing. At the third public hearing held on April 19, 2016, however, the City Council deemed it the best interest of the City to instead move forward with a 4 district map with the Mayor elected at-large. The Council expressed concerns with the boundaries in the two existing four (4) district maps, and subsequently directed NDC to create two revised maps with four (4) districts. At tonight's meeting, the City Council will select and adopt by Resolution the final boundary map to establish district boundaries for the City.

Second, the Council must adopt an ordinance incorporating the new district boundaries and changing the City Council's electoral system from at-large to by-district. The Council introduced this Ordinance for first reading at the April 19, 2016 meeting. The Council will consider the second reading of the proposed Ordinance on May 3, 2016. The Ordinance will officially amend the P.M.C. changing the City's at-large electoral system to a by-district system with four (4) Council member districts and a mayor elected at large.

Staff has included, for the City Council's consideration, the four (4) draft boundary plans prepared by NDC for four (4) Council member districts. These Maps create four (4) districts and prescribe for a Mayor elected at-large with the four (4) Council members elected by-district.

Impact to Current Council Members

The terms of current Council members Sheree Lustgarten and Dominic Farinha expire in November 2016. Under each proposed district maps Council members Sheree Lustgarten and Dominic Farinha's Council seats will correspond to District 1 and District 3 respectively. Upon expiration of these terms the City will establish the first two districts which will be included in the November 2016 General Municipal Election.

Council members Dennis McCord and Deborah Novelli were elected at-large in the regular Municipal Election of November 2014, and have terms expiring in November 2018. They will be considered elected "at-large" for the remainder of their terms and represent Patterson citywide. However, their Council seats will be designated to represent District 2 and District 4 respectively. These final two districts will be included in the November 2018 General Municipal Election.

The Mayor will continue to be elected at-large and the Mayor will not have a corresponding district. The current Mayor's term expires in November 2016.

ENVIRONMENTAL REVIEW

The resolution does not constitute a project subject to review under the California Environmental Quality Act ("CEQA"), as the ordinance will not result in any direct or indirect environmental impacts that trigger CEQA review.

FISCAL IMPACT

There is no discernible fiscal impact in adopting the selected district boundary map by resolution establishing the City of Patterson's voting district boundaries. There may be a fiscal impact based on additional services requested from NDC, however that fiscal impact cannot be accurately estimated at this time.

ALTERNATIVE ACTIONS

The City Council's options regarding Resolution 2016-36 include:

1. Adopt the Resolution approving the selected Council member district boundaries map that will establish the City's four (4) voting district boundaries;
2. Continue discussion of the Resolution to a future meeting and direct staff to make revisions to the proposed boundary map and Resolution;
3. Reject the Resolution.

The deadline to submit the certified maps and legal descriptions of the final district election boundaries to the Stanislaus County Registrar's Office is May 9, 2016.

RESOLUTION NO. 2016 - 36

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PATTERSON,
ESTABLISHING THE FOUR COUNCIL MEMBER DISTRICT BOUNDARIES TO
IMPLEMENT A BY-DISTRICT BASED ELECTORAL SYSTEM BEGINNING WITH
THE NOVEMBER 2016 GENERAL MUNICIPAL ELECTION**

WHEREAS, the City of Patterson (“City”) is a general law city governed by the State of California Government Code and Elections Code; and

WHEREAS, the Patterson City Council (“Council”) is currently comprised of the Mayor elected at-large on even numbered years and four (4) Council members elected at-large during alternating even-years; Council Members are elected for four (4) year terms and the Mayor serves two (2) year terms; and

WHEREAS, due to the increasing number of cities throughout the State of California facing legal challenges to their at-large electoral systems, and many cities settling claims out of court, the Council has actively considered the merits of changing the City’s at-large electoral system to a by-district system in which voters elect a Council member from within their corresponding geographical section of the City; and

WHEREAS, at the direction of the Council, consulting firm National Demographic Corporation (“NDC”) conducted an analysis to determine whether the City’s current at-large electoral system resulted in racially polarized voting which would be in violation of the 2001 California Voting Rights Act; and

WHEREAS, the Council unanimously directed NDC to develop draft plans to transition the City from an at-large to a by-district electoral system, and by Resolution No. 2016-22 set parameters for drawing the district boundaries; and

WHEREAS, NDC developed and presented district boundaries to the Council, which took into consideration the public’s input as well as the City Council’s recommendations; and

WHEREAS, pursuant to California Elections Code Section 10010, the Council held three public hearings, on March 30, 2016, April, 5 2016, and April 19, 2016 to consider the proposed district boundary maps, and continued the April 19 public hearing to April 25, 2016, at which time the Council voted to approve one (1) proposed district boundaries map, thereby, establishing the City’s by-district boundaries; and

WHEREAS, in good faith, the City has publicized and conducted several public hearings in an effort to include the City’s residents in the discussion of the transition plan to district elections, and in the decision-making process of the proposed district boundary maps developed by NDC; and

WHEREAS, pursuant to Government Code Section 34886, a city council of a general law city that has a population of less than 100,000 people, is authorized to adopt an ordinance that

requires the members of the city council to be elected by-district in four (4) districts with a Mayor elected at-large; and

WHEREAS, pursuant to Government Code Section 34886, subdivision (a), the change in the method of electing members of the Council is being made in furtherance of the purposes of the California Voting Rights Act of 2001 (Chapter 1.5 (commencing with Section 14025) of Division 14 of the Elections Code.)

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Patterson does hereby declare as follows:

1. That the transition process of changing the City's current at-large electoral system to a by-district system was conducted in accordance with State laws.
2. That after review of the four (4) proposed district boundary map options, and consideration of all public comments received, the Council does hereby select NDC 4 District Option __ Map that establishes the City's four (4) Council Member districts with a Mayor elected at-large, herein as set forth in **Exhibit A**.
3. That pursuant to Government Code Section 34886, the Council shall adopt an ordinance amending the Patterson Municipal Code to change the City's electoral system from at-large to by-district and incorporate the established four (4) Council member districts with a Mayor elected at-large as set forth in **Exhibit A** of this Resolution.
4. That upon completing the transition process of changing from an at-large to a by-district electoral system, the City Clerk, as the City's Elections Official, shall implement the new by-district electoral system for the 2016 General Municipal Election to establish the first two (2) district-elected Council member seats.

BE IT FURTHER RESOLVED that the City Council of the City of Patterson, in accordance with Chapter 7, Article 1, of the California Elections Code, shall by resolution adjust the boundaries of any or all of the Council Member districts of the City, following each decennial federal census, and using that census as a basis so that the districts shall be as nearly equal in population as may be.

PASSED AND ADOPTED by the Patterson City Council at a special meeting thereof held on the 25 day of April, 2016, by the following roll call vote:

- AYES:
- NOES:
- ABSTAINED:
- EXCUSED:

APPROVED:

Luis I. Molina
Mayor of the City of Patterson

ATTEST:

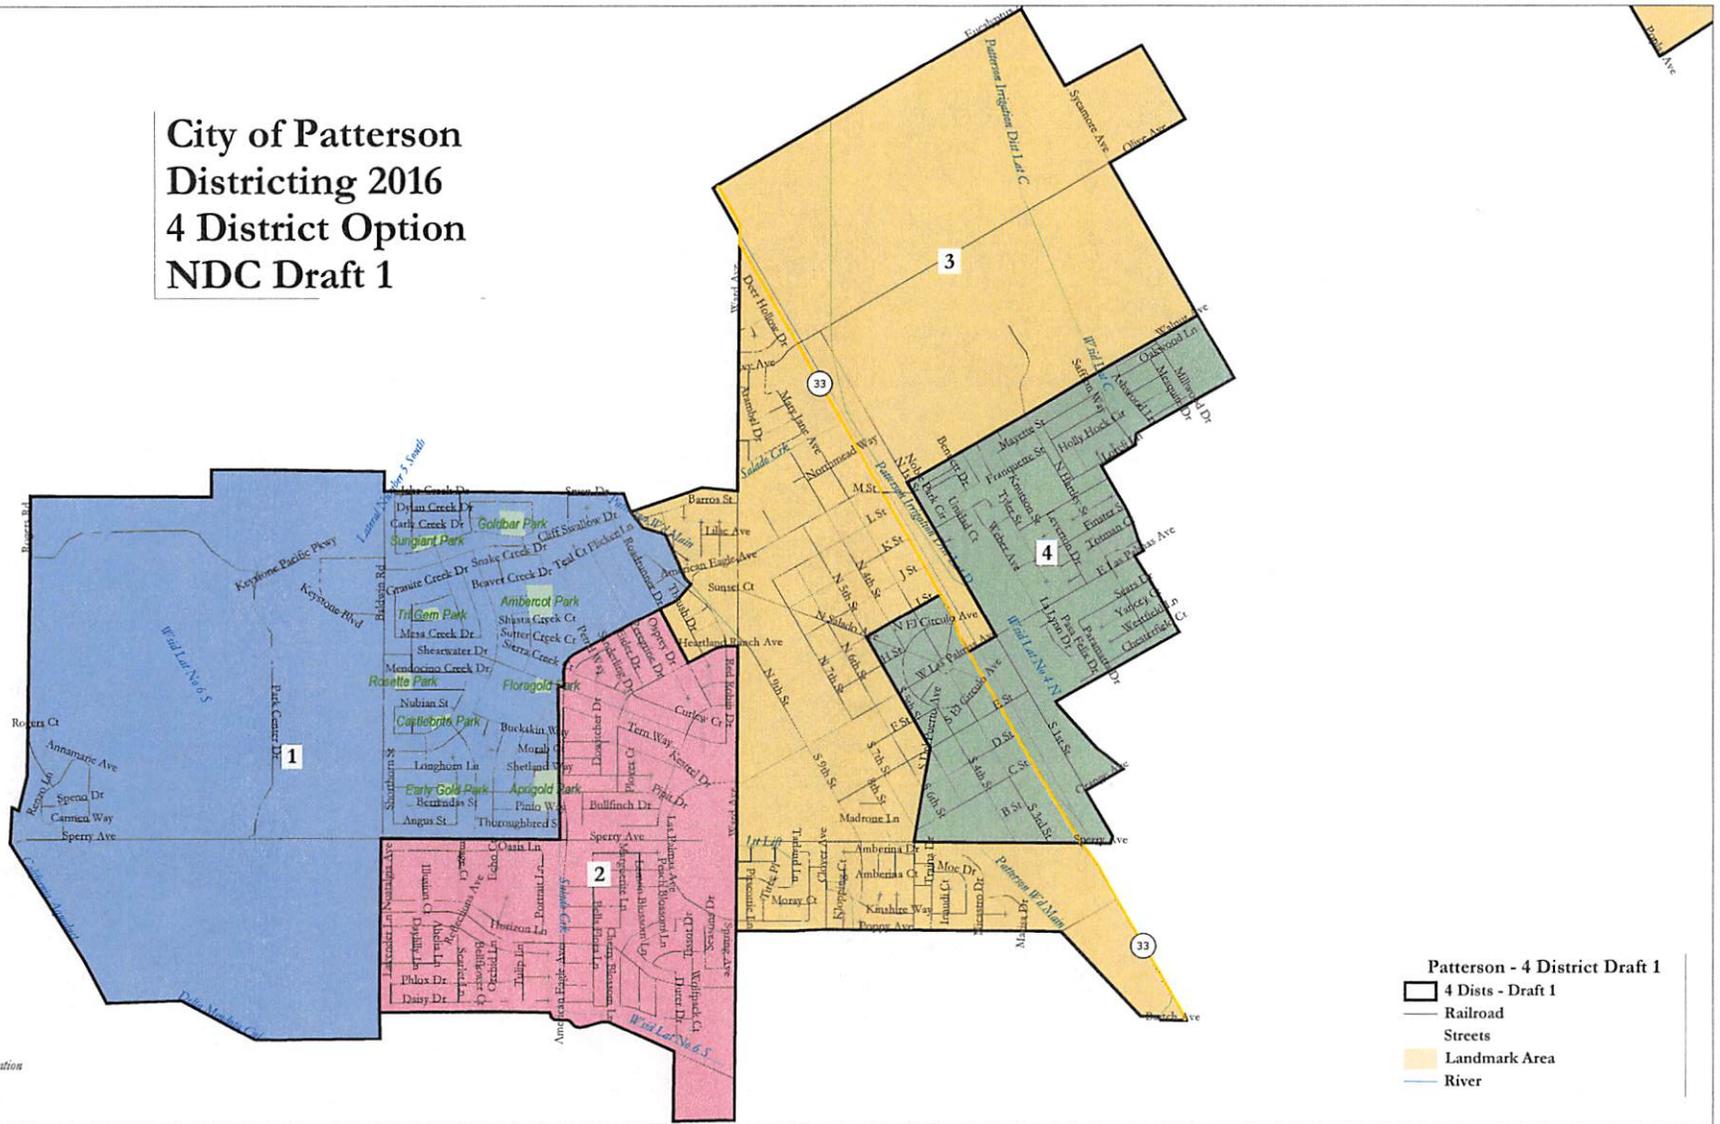

Maricela L. Vela
City Clerk of the City of Patterson

I hereby certify that the foregoing is a full, correct, and true copy of a resolution passed by the City Council of the City of Patterson, a Municipal Corporation of the County of Stanislaus, State of California, at a special meeting held on the 25th day of April, 2016, and I further certify that said resolution is in full force and effect and has never been rescinded or modified.
