Completion Date: Fall 2023

Phase: Construction

Overall Project Details:

The project consisted of overlay/road reconstruction with dig outs as needed along Sperry Avenue between American Eagle Avenue and Ward Ave in the City of Patterson. The road segment where construction occurred spans approximately half a mile. The road functions as a Minor Arterial road, allowing a main route through the City for residents and the transportation of goods. This is in an effort to maintain and improve roadway safety within the City of Patterson. All Improvements are located within the City of Patterson right-of-way.

Project Status:

The Sperry Avenue Improvements Project - Phase 2 is in the construction stage. This project was advertised for construction November 2022, and bids were opened December 21, 2022. The project was taken to Council on February 21, 2023 and awarded to JV Lucas Paving for construction. Notice to proceed was issued starting April 17, 2023. Project is essentially complete. Final walk and punchlist items pending.
