

Leaf Pickup Schedule

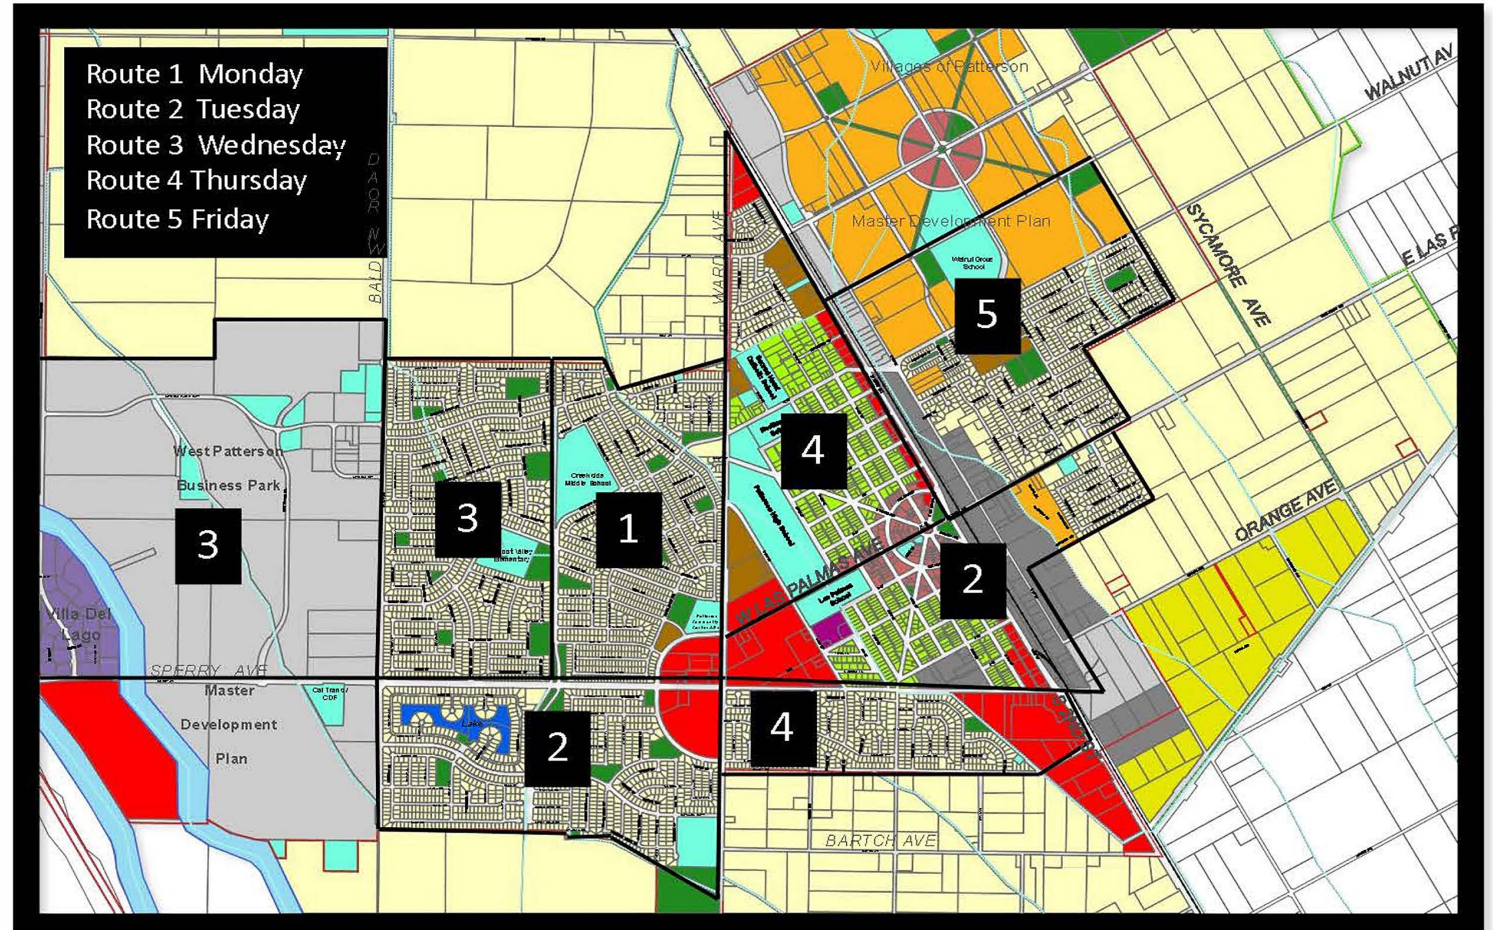

PLEASE MOVE YOUR VEHICLES THE NIGHT BEFORE TO ENSURE YOUR LEAVES GET PICKED UP

City of Patterson
Public Works Department

The Leaf Pickup program begins on
November 6, 2023 and ends on
January 26, 2024

(Starting and ending dates are approximate and dependent on
how the leaves fall.)

Leaves will be picked up weekly. You can locate your leaf
pick-up day using the map. Please make use of your
90-gallon Green Bin. When it is full, rake the remaining
leaves from your property into a pile(s) and place 5 feet
from your curb. Please do not place tree limbs in leaf piles.
To help avoid delays and for adequate leaf pickup, please
do not park your vehicles on the street during your
scheduled pickup day. This will help ensure easy access for
the leaf collection.

If you have any questions regarding this map or the
routes shown, please call Public Works at
(209) 895-8060 or email at
publicworks@ci.patterson.ca.us

Christmas tree pick-up: will be picked up on leaf schedule day. Trees must be cut in 1/2 & no more than 5ft long. No flocked trees. If Christmas tree is placed in the green bin, these must be cut into smaller pieces to fit in the container. No bulky pickup appointments will be scheduled after December 15, 2023 and will resume scheduling after the new year. During the upcoming holidays all residential services will be delayed one day after Thanksgiving, Christmas Day, and New Year's Day. There will be no service interruptions for any commercial services during holidays.
