**FOR IMMEDIATE RELEASE**

## TRAFFIC ADVISORY

### ***Northbound I-5 at Sperry Avenue to Close Wednesday through Friday for Emergency Repair***

**STANISLAUS COUNTY** – The California Department of Transportation (Caltrans) will conduct emergency road repair beginning Wednesday, February 8, through Friday, February 10, 2023, at the northbound Sperry Avenue offramp and undercrossing on Interstate 5.

The work is to repair washout and slide out conditions suffered because of the recent rainstorms that pummeled Northern California.

Crews are expected to close the northbound offramp and undercrossing at 7:00 a.m. on Wednesday, and reopen it at 3:00 p.m. on Friday. The traveling public is encouraged to find alternate routes to and from Interstate 5, including a detour to Howard Road to the north. Crows Landing/Fink Road to the south is another alternative.

This work is scheduled to begin as listed, but is subject to change due to traffic incidents, weather, availability of equipment, and/or materials and construction related issues.

For the safety of workers and other motorists, please **Be Work Zone Alert**. For the latest road conditions, visit [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov).
